Hi Jeff,

I sent you a copy of the power point we presented to council, but I'm not sure if it was the final draft. So here is the corrected presentation.

Working with our folks so they are aware of the meeting.

See you soon.

Good afternoon, Dave and Loretta. This email is a reminder that we are scheduled to have a meeting this coming Tuesday at the 14 Tribes Room, located in the Yakama Heritage Cultural Center Complex, next to the Heritage Inn Restaurant, 100 Spiel-yi Loop, Toppenish.

The purpose of the meeting is to compile our list of issues or violations concerning the Ashue Road dump, learn each other's capabilities, and formulate a joint enforcement plan. I hope we will settle on a date to meet with the PRPs to apprise them of our concerns.

I'm looking forward to meeting you both and the other members of your staff and I'm glad to be getting this project moving forward. See you Tuesday.
